

It has been a sensational half term for our junior athletes, marked by grit, growth, and plenty of grins along the way!

 Football:

Our girls made history by competing in the first-ever girls' football tournament at Victoria Park. It was fantastic to see the confidence develop over the afternoon with some great goals to top it off!

 Hockey:

The hard work during club practice paid off in spades as both our Year 5 and Year 6 teams took to the field with brilliant teamwork, passing and spirit.

Year 5 narrowly lost two out of their nine games, and Year 6 sat proudly on the podium in third place out of the twelve competing schools 🏆

Triathlon:

Our athletes raced their socks off during the inter-school triathlon on Friday. They cruised through each transition, and managed to smile across the line having left nothing on the field.

We are very lucky to have such a wonderful bunch of pupils to represent our school with such pride and sportsmanship.

Keep going team La Houquette!
