☀️ Weekly ClassDojo Update: Building an Inclusive Community at La Houguette

What a glorious week of sunshine it has been! The children have thoroughly enjoyed the lovely weather and made the absolute most of their outdoor play.

Creating an Environment Where Every Child Thrives 🌟
We wanted to share an update on our ongoing commitment to have a school culture where every single child flourishes, free from rigid, stereotypical expectations.
At La Houguette, we do not view boys and girls as opposites, but as unique individuals who each deserve tailored support. We want our boys to grow into empathetic, capable young men, and our girls to develop into confident, ambitious young women.

Transforming Our Lunchtimes ⚽🎾🏐
To support this vision, we recently reviewed our lunchtime routines to address how football was dominating the main field. Our new system is up and running, and the results have been fantastic!
Boys and girls playing together: We are seeing fantastic mixed-gender groups sharing space and supporting one another.

A huge shout-out to Atticus in Year 3! Atticus has shown incredible leadership and kindness through his inclusive attitude—actively encouraging, coaching, and praising the girls who wanted to join the games. Well done, Atticus! 👏

Even better, the field is now buzzing with all kinds of activities! Children across all year groups are getting involved in volleyball, tennis, parkour, and even a special La Houguette version of boules.

At La Houguette, we include everyone and challenge those who don't.

Please help us reinforce this message at home by chatting with your children about inclusion, empathy, and trying new things!
